

SAMPLE PACK AGREEMENT

THANKS SO MUCH FOR YOUR SUPPORT!

Breaks, shots and loops:

All instances of any of these breaks shots or loops on a track will need to be cleared for usage with A.J. Hall depending on how big of a part the break is in the song. For any major releases containing any of these samples, please contact ajhall89@yahoo.com to negotiate any necessary credits, publishing, royalties, and advances.

For most smaller/independent releases clearance won't be needed and usage of these breaks/samples is fully granted.

In any case, please reach out to ajhall89@yahoo.com or matt@money makinmgmt.com to see if clearance is needed and/or to discuss details.

Peace!
